IBA - Advantage

The Institute of Business Administration (IBA) Karachi is the first business school established outside the North America in 1955, with technical assistance from Wharton Business School. IBA has a rich history of producing business-renowned leaders, who have worked and matched in performance with graduates from the world’s leading business schools.

Keeping in view IBA’s rich history of serving the corporate, financial sector and public sector, Executive MBA program was launched. The program is flagships product of IBA and offered with the convenience of weekend classes to facilitate the in-service professionals. The program aims to equip the participants with the tools and knowledge to develop their entrepreneurial and leadership skills. IBA transforms its participants into world class leaders, ready to face dynamic challenges of the business world. The Executive MBA program is specially designed for the mid-career professionals, and emphasizes on personal development, enhances productive strategic thinking of the participants.
